

# Mabicons ERP

## What is Requirement

- 1 To show Client a dashboard so that they are aware of the work being done
- 2 Interaction & Progress tool b/w Client & Mabicons
- 3 Lower The burden on KAM so that they can handle more Client with less burden
- 4 Manager & owner can track the productivity of KAM & even if KAM is Absent anyone can do the work in their place

5 Only the work agreed upon shall be done rather than some extra assigned by client

---
